A large, dense, black and white abstract pattern, possibly a high-resolution scan of a textured surface or a heavily degraded image. The pattern consists of a complex, irregular arrangement of black and white pixels, creating a noisy, textured appearance. The overall shape is roughly rectangular, with some irregular edges. The pattern is very dense, with many small, dark, irregular shapes scattered throughout a lighter background. The overall effect is one of a highly textured, noisy surface, possibly a scan of a physical material or a heavily degraded digital image.

PATENT: XXXX-00

Nombre Cliente : EULEN PTO MONTT MADRE PAULINA 345
